Liverpool 28th March 2014.

We as a small church in the heart of Kensington like to express our utmost thanks to all the ladies of "Community Payback", alternate staff from "Adelaide House" for making our garden so beautiful again. A special thanks to Theresa (supervision) and Cherise (mentoring).

It has been a fantastic opportunity for Aron, Brian and I to work with you all and we hope that you come again some time to help us out with another job.

Yours sincerely,

Deacon Flip den Uil,

Minister of Kensington Methodist Church, Liverpool.
